

BIFMA INTERNATIONAL level™ CERTIFICATION PROGRAM

level™ CERTIFICATION MARK AUTHORIZATION

Certification Body:Name
Address

Applicant Organization:Name
Address

Certified Product:Product description

Under Certificate Number _____, the Certification Body has certified that the above described Certified Product of the Applicant Organization is in conformance with the BIFMA level™ Standard and the Applicant is authorized to use the level™ Certification Mark, in the forms attached as Exhibit A and B, in connection with the marketing, distribution and sale of the Certified Product and upon the following terms and conditions:

A.The Applicant Organization acknowledges that the level™ Certification Mark is owned by BIFMA International and that its use of the level™ Certification Mark shall be in compliance with the Certification Mark License Agreement between the Certification Body and BIFMA International, a copy of which has been provided to the Applicant Organization.

B.The use of the level™ Certification Mark by the Applicant Organization shall, at all times, be in compliance with the level™ Certification Program

Guidelines, Certification Scheme and Certification Mark Use Guidelines, copies of which have been provided to the Applicant Organization.

C.The Applicant Organization shall use the generic form of the Certification Mark (Exhibit A) only with reference to the BIFMA level™ Certification Program and its participation in that Program and shall use the product specific form of the Certification Mark (Exhibit B) in connection with the Certified Product, as described in the Certification Mark Use Guidelines. Neither form of the Certification Mark may be used in any manner to infer that any other products or all products of the Applicant Organization are Certified Products.
